### 18<sup>th</sup> Sunday in Ordinary Time – Year B

#### The Most Holy Eucharist

So they said to him, “Sir, give us this bread always.” Jesus said to them, “I am the bread of life; whoever comes to me will never hunger, and whoever believes in me will never thirst.” [John 6:34–35](#)

They were hungry, and they wanted Jesus to perform a miracle like He had recently done. They wanted Him to multiply loaves and fishes for the crowds. Perhaps they were curious or perhaps they were hungry. But Jesus directs them to so much more.

This passage begins Jesus’ discourse on the Bread of Life, which will be read at Sunday Mass for the next few weeks. We will see in this discourse Jesus giving His followers so much more than mere bread and fish. We listen to Him speak of Himself as the true Bread from Heaven. Sadly, many reject this precious teaching and gift and go their own way.

But what about you? How often have you truly pondered these words of Jesus? “I am the Bread of Life; whoever comes to me will never hunger, and whoever believes in me will never thirst!” Do you believe this?

Deep within every human heart is a hunger and thirst that longs to be satisfied. We all have this longing and desire. We try to fill it with so many things, but in the end only one thing satisfies. Jesus alone can satiate the deepest longings of our souls.

Again, do you believe this? And if you do believe it in your head, do you believe it with your actions? Do you turn to Him as the source of your daily fulfillment and satisfaction? When you go to Mass, do you long to receive Him and love Him and enter into Communion with Him? Perhaps, but perhaps not. Most likely we all need to redirect our desires toward our glorious Savior, especially as He comes to us in the Most Holy Eucharist.

Reflect, today, upon how deeply you believe in these words of Jesus. Do you regularly meet Him in the Eucharist? Do you allow His presence to consume you as you consume Him? If you cannot say “Yes” to this in a complete and definitive way, resolve today to renew your love for our Lord in this glorious Sacrament.

*Lord, I do love You, and I desire You to come and consume me as I consume You in the Most Holy Eucharist. Help me to believe in You and Your presence in this Most Holy Sacrament. May Your divine presence meet my deepest need and fulfill my deepest longings in life. Jesus, I trust in You.*

**MALE AND FEMALE HE CREATED THEM**

Equality and difference willed by God

369 Man and woman have been created, which is to say, willed by God: on the one hand, in perfect equality as human persons; on the other, in their respective beings as man and woman. "Being man" or "being woman" is a reality which is good and willed by God: man and woman possess an inalienable dignity which comes to them immediately from God their Creator.<sup>240</sup> Man and woman are both with one and the same dignity "in the image of God". In their "being-man" and "being-woman", they reflect the Creator's wisdom and goodness.

370 In no way is God in man's image. He is neither man nor woman. God is pure spirit in which there is no place for the difference between the sexes. But the respective "perfections" of man and woman reflect something of the infinite perfection of God: those of a mother and those of a father and husband.<sup>241</sup>

"Each for the other" - "A unity in two"

371 God created man and woman together and willed each for the other. The Word of God gives us to understand this through various features of the sacred text. "It is not good that the man should be alone. I will make him a helper fit for him."<sup>242</sup> None of the animals can be man's partner. <sup>243</sup> The woman God "fashions" from the man's rib and brings to him elicits on the man's part a cry of wonder, an exclamation of love and communion: "This at last is bone of my bones and flesh of my

flesh."<sup>244</sup> Man discovers woman as another "I", sharing the same humanity.

372 Man and woman were made "for each other" - not that God left them half-made and incomplete: he created them to be a communion of persons, in which each can be "helpmate" to the other, for they are equal as persons ("bone of my bones. . .") and complementary as masculine and feminine. In marriage God unites them in such a way that, by forming "one flesh", <sup>245</sup> they can transmit human life: "Be fruitful and multiply, and fill the earth."<sup>246</sup> By transmitting human life to their descendants, man and woman as spouses and parents co-operate in a unique way in the Creator's work.<sup>247</sup>

373 In God's plan man and woman have the vocation of "subduing" the earth <sup>248</sup> as stewards of God. This sovereignty is not to be an arbitrary and destructive domination. God calls man and woman, made in the image of the Creator "who loves everything that exists", <sup>249</sup> to share in his providence toward other creatures; hence their responsibility for the world God has entrusted to them.
